LESSONS LEARNED

1. Customer Service Representatives

   Total number of CSRs: 56 CONUS (0 EE)

   16 OCONUS (16 EE)

2. All CSRs must be Emergency Essential (EE) and deploy with their units.
3. Deployment checklists are needed.
4. Better care of deploying personnel from when they leave CONUS to OCONUS locations.
5. Conditions will be worst for most.
6. Overtime policy must be explained to the civilians prior to deployment. (No guarantee of more than 16-18 hours overtime)
7. DCST members must have the requisite skill sets to

   be effective.

Summary

- DCST is an “eye opening” experience.
- DCST’s will be in greater demand in future conflicts and operational areas.
- DCST’s have the right relative mix of military and civilian members.
- CSR’s will have to deploy in order to support their assigned units.
- Volunteers are good but EE’s are essential!
